

Superadmin

- where the SuperAdmin can delete and view subject code and delete student from the system if the next semester will change.
- Super create the default email and password for the Professor will be use to login (prof@umindanao.edu.ph) and password (Prof123)
- The one that manage and maintain the portal system

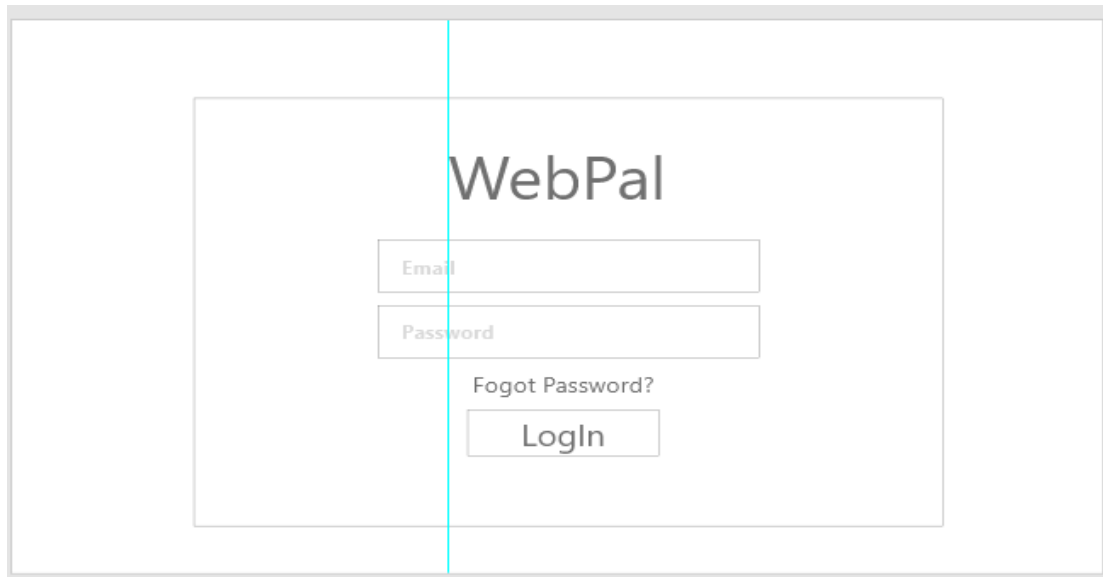

Landing Page

- Dapat ang background kay mga pictures and information about sa UM Nursing Department

Login Page

- Prof Side = Default Email and Pass only ang gamitin nila for login
- Stud Side = maka login lang sila after successfully sila maka registered

The image shows a wireframe design for a login page titled "WebPal". The design is centered within a light gray rectangular frame. A vertical cyan line runs through the center of the page. The login form is contained within a white rectangular box. Inside this box, the text "WebPal" is displayed in a large, dark gray font. Below the title, there are two input fields: the first is labeled "Email" and the second is labeled "Password". Below the "Password" field, there is a link labeled "Fogot Password?". At the bottom of the form is a button labeled "Login".

NOTE: sa forgot password po ikaw nalang po bahala sa process and design panu mag "Forgot Password" po

COURSES TAB

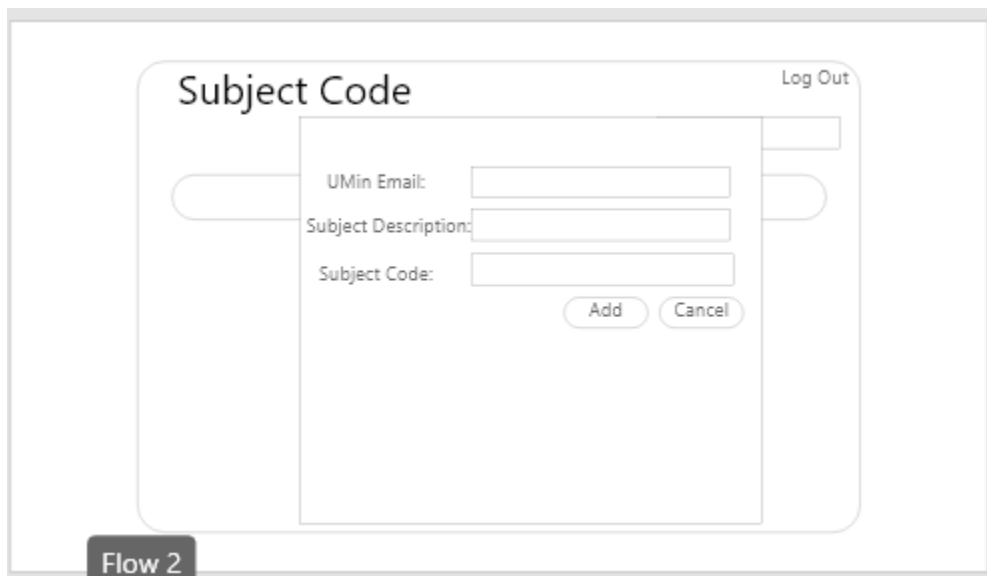

-This will be the first page of the professor if he/she is done logging in the default email(prof@umindanao.edu.ph) and password (Prof123)

The screenshot shows a web interface titled "Subject Code". At the top left is a "Search" input field. At the top right is a "Log Out" link. Below these is a large, empty rounded rectangular box with a "+" sign in the center, indicating where to add new subject codes.

-The professor will add first a subject code para maka register si students. Di makapasok ang student kung wala pang subject code na nagawa ang prof.

-Each professor can add a different code and can use same email each code.

The screenshot shows the same "Subject Code" page, but with a modal window open for adding a new code. The modal contains three input fields: "UMin Email:", "Subject Description:", and "Subject Code:". Below these fields are two buttons: "Add" and "Cancel". The "Log Out" link is still visible in the top right corner of the main page. A label "Flow 2" is visible in the bottom left corner of the screenshot.

-The professor must make sure to confirm in the text field the correct email to add directly to the subject code list.

Subject Code

Log Out

- After mag add ni professor ng subject code. The dashboard/Home will appear.
- The number in the right side will be the indicator if out of 25 students, how many answered the task.
- The total number of student(25) will depend on how many are registered in the specific subject code.

Mag display ng percentage sa overall performance ng entire students each category (Informatic Skills, Informatic Knowledge, and Computer Skills).

-if you are going to click the add sign, below picture will appear

The screenshot shows a web interface titled "Student Performance Rating". On the left is a sidebar with a circular profile picture placeholder labeled "Admin". Below it is a "Home" section with a list of links: "List of Students", "Upload Task", "Student Record", "Announcement", "Courses", "Message", and "Log Out". The main content area features a "Search" input field at the top right. Below it is a rounded rectangular box containing a "65%" progress indicator. Underneath this box is a list of four student names, each in its own rectangular box: "Student1", "Student2", "Student3", and "Student4".

-The percentage means the total percentage of the students who answered the tasks.

-This are the list of student who already answer the task.

The screenshot shows the "Task1" form within the "Student Performance Rating" dashboard. The sidebar is identical to the previous screenshot. The main content area is titled "Task1" and contains several form elements: a "Description:" text input field, a "Submission" section with a "File.pdf" text input field, a "Ratings" section with a row of ten radio buttons labeled 10, 9, 8, 7, 6, 5, 4, 3, 2, and 1, a "Comment..." text input field, and a "Submit" button at the bottom right.

-Review the submission of the students and can rate the student according to their submitted files and/or answers. (dito mag base ang analytic tool/chart.js to make graphical chart.)

-The professor can comment too, if he/she wants to tell something on the student performance.

-Mag upload po ng task ang professor, then ang pag upload po kasi ng professor ng mga task ay naka depende kung alin category po. Kaya naka divide po ang task by category (Informatic Skills, Informatic Knowledge, and Computer Skills)

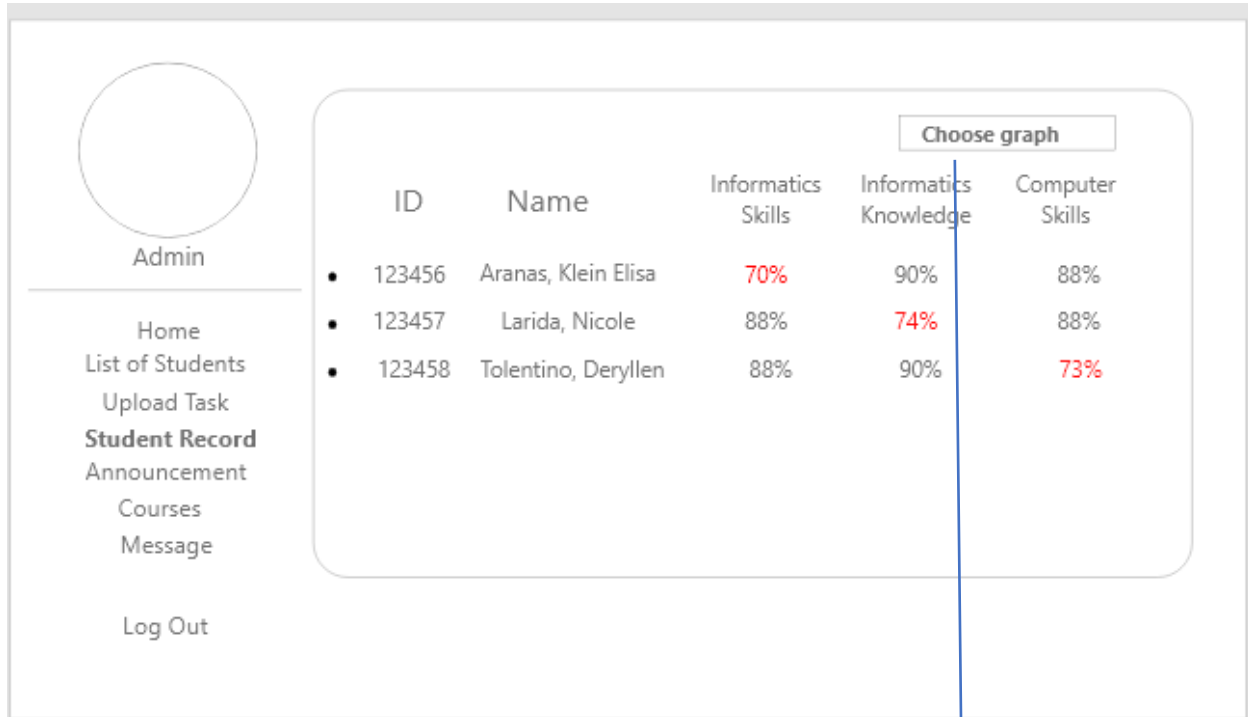

Adding task window after clicking the add sign

The screenshot shows a web application interface for adding a task. On the left is a sidebar with a circular profile icon at the top. Below it is a list of navigation links: Home, List of Students, Upload Task (highlighted in bold), Student Record, Announcement, Courses, and Message. At the bottom of the sidebar is a 'Log Out' link. The main content area is titled 'For Informatic Skills Task'. It contains three input fields: 'Title :', 'Deadline :', and 'Instructions :'. Below these is a 'Task Scenario' section with a large text area. At the bottom of the main area are three buttons: 'Upload file', 'ADD', and 'Cancel'.

-The professor will add title, deadline(Date and time), and instructions.

-The task scenario is given by the professor, and if the professor will click the “upload file” the File Manager of the computer will appear and let the professor choose if he/she going to attach a file/s.

-Once he/she click the add, this will appear to the dashboard of the professor.

Records po sa students

- The sample percentage represents the overall total ratings of every students each category (informatics skills, informatics knowledge, and computer skills)
- If the percentage are below 75%, it will change it to color red which means a signal that the students need improvement in that category.

Dito na part naka "Drop down" yan.

Mamili ang user kung aling type of graphs ang gusto niya idisplay (line, bar, percentage or pie chart)

*Gamit ang analytical tool(chart.js), icalculate niya ang overall grade ng students depende sa mga score ng students sa kanyang mga task

Announcement Tab

The screenshot shows a web interface for the 'Announcement Tab'. On the left is a sidebar with a circular profile icon at the top. Below it is a list of navigation links: 'Home', 'List of Students', 'Upload Task', 'Student Record', 'Announcement' (which is bolded), 'Courses', 'Message', and 'Log Out' at the bottom. The main content area is titled 'Announcement' and contains a list of announcements. The first announcement has a bullet point, the text 'Lorem Ipsum', a 'Posted :' label, and 'Edit' and 'Delete' buttons. Below this is a large rectangular box with a plus sign (+) in the center, indicating where to click to add a new announcement.

-Once na ma click ni professor ang add sign mag proceed siya sa another window para gumawa ng announcement

-Ma edit ni and delete ni professor ang announcement niya by simply clicking the button.

The screenshot shows the 'Add Announcement' form. The sidebar is identical to the previous screenshot. The main content area is titled 'Add Announcement' and contains three labels: 'Title :', 'Posted : (Automatic date today and time)', and 'Description:'. Below these labels is a large text input area. At the bottom right of the form are two buttons: 'ADD' and 'Cancel'.

-Process kung paano mag add ng announcement ang professor.

-Then mag red sign or may sign ang announcement tab ng student na meron another announcement na gi add ang professor.

Message Tab

The image displays two screenshots of a web application's 'Message Tab' interface.

Top Screenshot: The interface shows a sidebar on the left with a circular profile picture placeholder and a list of navigation links: Home, List of Students, Upload Task, Student Record, Announcement, Courses, **Message**, and Log Out. The main content area is titled 'Inbox' and includes a search bar and a 'Create New Message +' button. Below these, there is a list of messages, each with a circular profile picture placeholder and a name: Klein Elisa Aranas, Nicole Larida, and Deryllen Tolentino.

Bottom Screenshot: The interface shows the same sidebar. The main content area is titled 'Inbox' and includes a search bar and a 'Create New Message +' button. Below these, there is a 'New Message' form. The form has a 'Recipients *' field with a placeholder 'Type Name / All students' and a '(Display recipients)' link. Below this is a 'Message *' field with a rich text editor toolbar. A 'Send' button is located at the bottom right of the form.

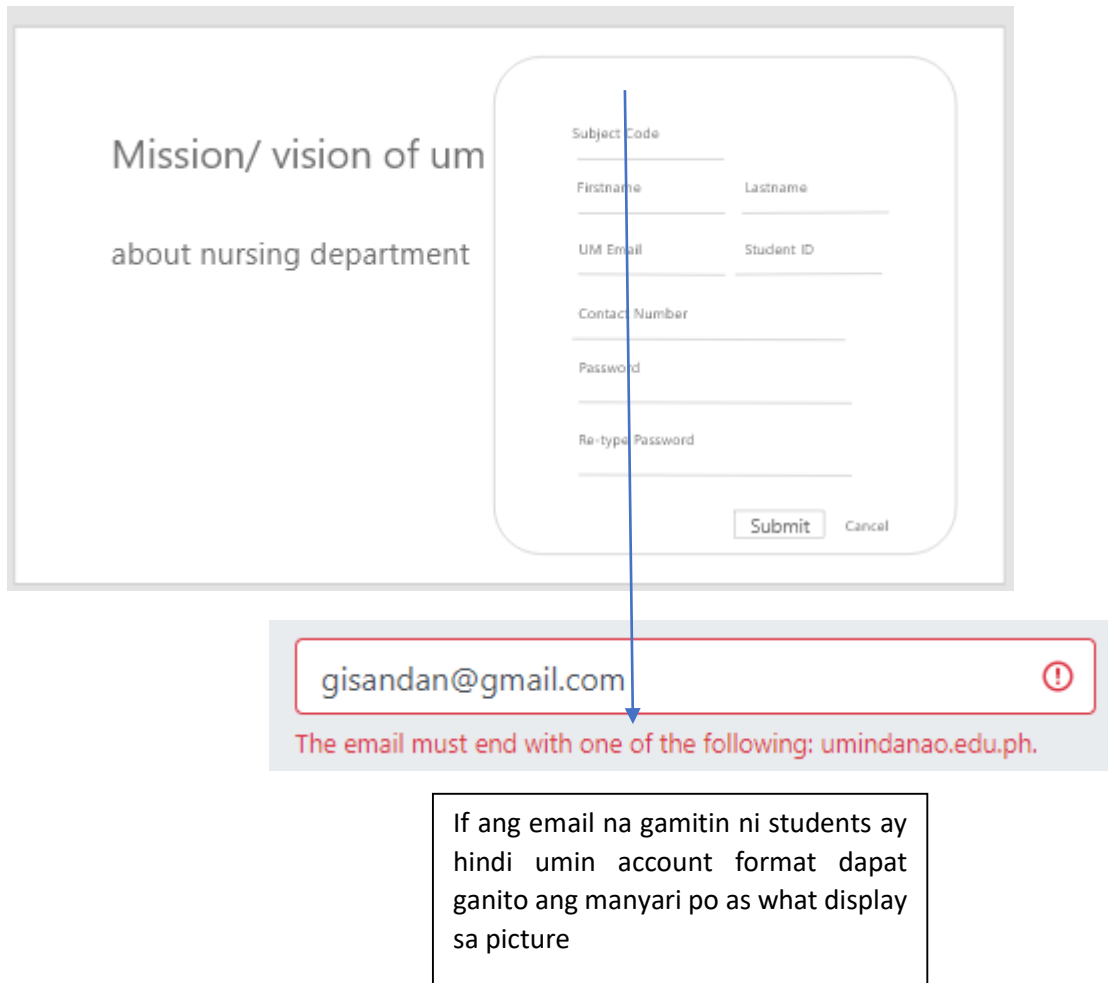

-Same process kung panu mag message sa student side

*Paki improvised nalang po ng mga design naming para maging mas presentable and maganda po siya tignan. Skeleton lang po kasi itong Adobe XD namin para ma visualize lang po ng mabuti ang process ng system po. Salamat

REGISTER STUDENTS

Registration Form1

-hindi maka register ang student if the subject code is not yet registered by the professor.

The image shows a registration form skeleton and an error message. The form is titled "Mission/ vision of um" and "about nursing department". It contains several input fields: "Subject Code", "Firstname", "Lastname", "UM Email", "Student ID", "Contact Number", "Password", and "Re-type Password". There are "Submit" and "Cancel" buttons at the bottom. A blue arrow points from the "UM Email" field to an error message box below. The error message box contains the text "gisandan@gmail.com" and a red exclamation mark icon. Below the error message, it says "The email must end with one of the following: umindanao.edu.ph.".

Mission/ vision of um
about nursing department

Submit

Cancel

Registration Form2 (After mag submit ng mga details ng user mag provide ng code for verification after ma click ang proceed diretso sa dashboard ng student)

-Then, if magbalik sila sa system pwede na nila ma click yung sign in button and enter their email and password na.

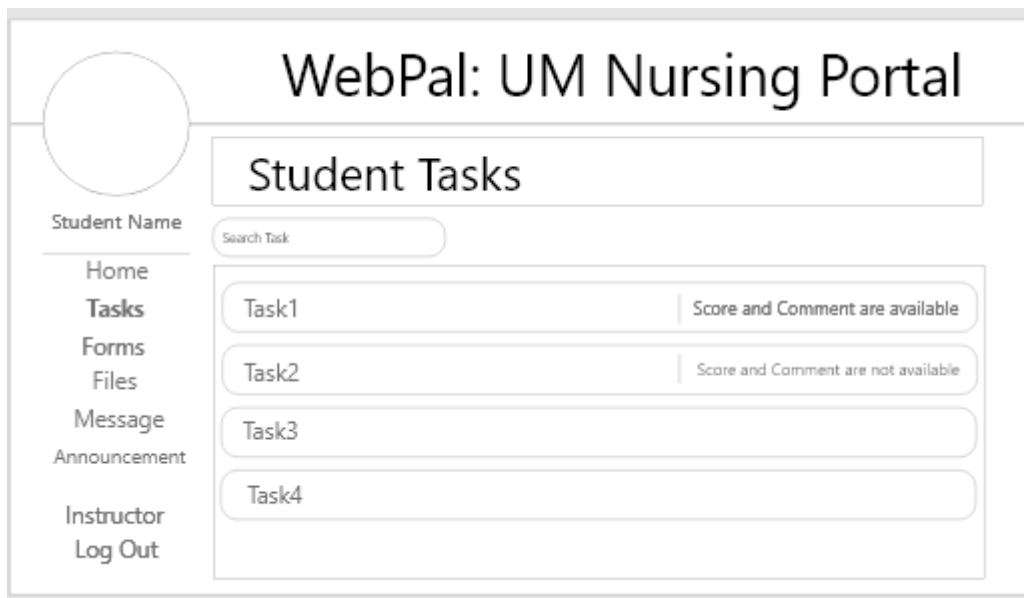

USER: STUDENT SIDE

The dashboard features a circular profile icon on the left, a 'Student Name' label, and a vertical menu with links: Home, Tasks, Forms, Files, Message, Announcement, Instructor, and Log Out. The main content area is divided into three sections: 'Latest Announcement' at the top, 'Task List' in the middle, and 'Deadline/s:' on the right with four input fields.

-Student Dashboard (Latest announcement, task list and deadlines sa mga task)

TASK TAB

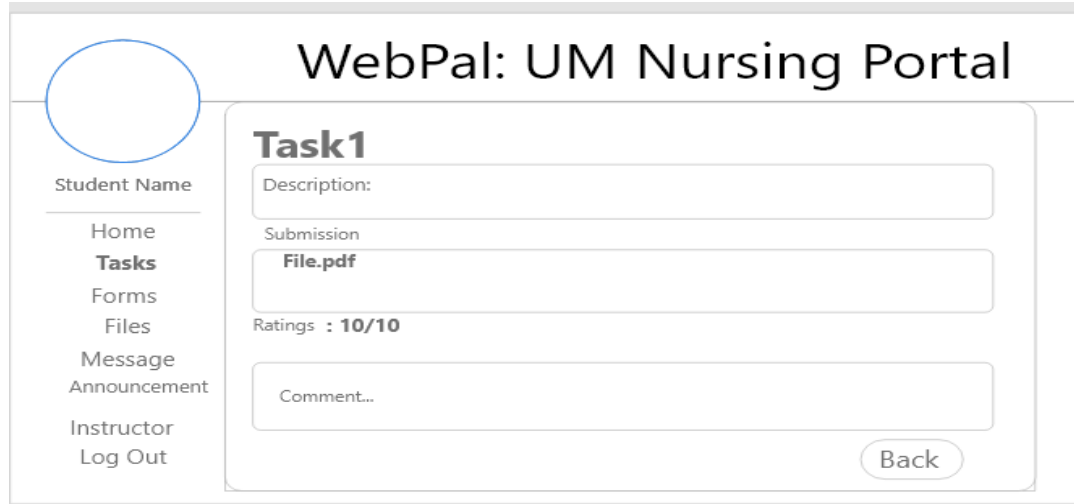

The 'Task Tab' view shows a 'Student Tasks' header with a 'Search Task' input field. Below is a list of four tasks: Task1, Task2, Task3, and Task4. Task1 and Task2 have status indicators: 'Score and Comment are available' and 'Score and Comment are not available' respectively. Task3 and Task4 do not have indicators. The left sidebar and menu are identical to the dashboard view.

-Dito makita nila ang mga tasks na nagawa na nila and hindi pa nila nagawa.

-Palagyan nalang ng bullet every task tapos if green color bullet, it means tapos niya na nagawa ang task/s; if color red bullet means, not yet done.

-if hindi na ma click ni student and task, it means deadline na and hindi na siya pwede makapag submit.

-There will be a notification in the right side if the rating and comment is available. "Score and comment are available"

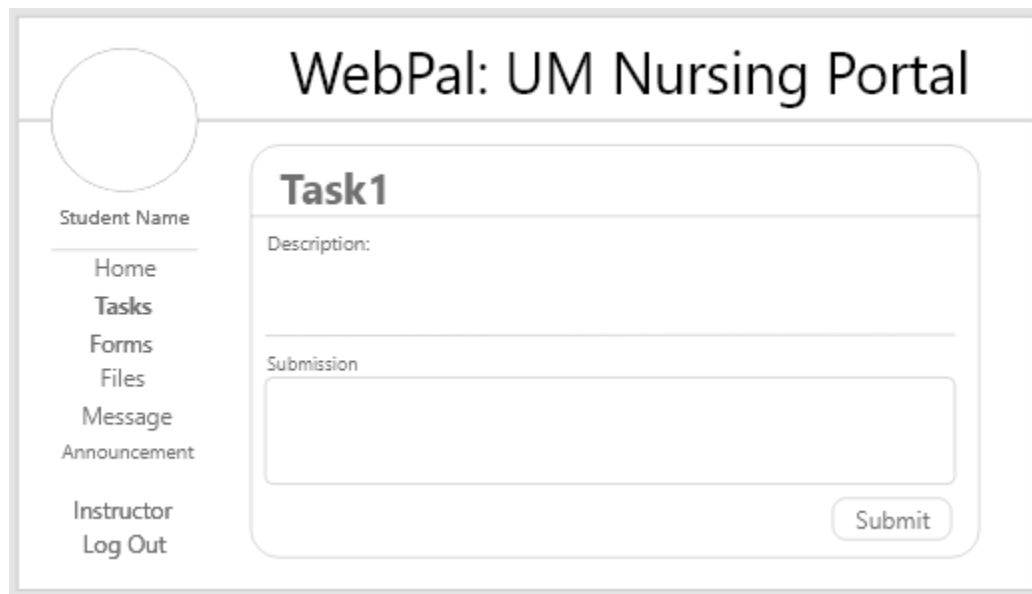

The interface shows a sidebar on the left with a circular profile icon and a list of links: Student Name, Home, Tasks (highlighted), Forms, Files, Message Announcement, Instructor, and Log Out. The main content area is titled 'Task1' and contains a 'Description:' text box, a 'Submission' section with a 'File.pdf' text box, a 'Ratings : 10/10' display, a 'Comment...' text box, and a 'Back' button at the bottom right.

-In task 2, as you can see there is “not available” sign, it means pwede siya ma view pero wala pang score and comment nailagay si prof.

Task Form

-Sa task1(name ng task na ginawa ng prof). then, the description is yung instructions and deadline na ginawa ng prof.

This interface is similar to the first one but is for submitting a task. It features the same sidebar. The main content area is titled 'Task1' and includes a 'Description:' text box, a 'Submission' section with a large empty text box for the submission, and a 'Submit' button at the bottom right.

-this area is mag submit ng mga task ang mga students.

- If I click na ni student ang submit, meron mag prompt or modal na mag ask if “are sure you want to submit?” then button ng “yes” or “no”

FORMS TAB

The image shows a web application interface for a nursing portal. On the left is a sidebar with a circular profile icon and a list of navigation links: Student Name, Home, Tasks, Forms (highlighted), Files, Message, Announcement, Instructor, and Log Out. The main content area is titled 'WebPal: UM Nursing Portal' and contains a 'Patient Chart' section. This section features a search bar and a grid of 14 buttons, each representing a different form available for a patient's chart.

Patient Chart		
Search		
Patient Admission Record	Admitting medical history	Informed consent for admission
Informed consent for treatment	Referral form	Informed consent for surgery
Pre- operative clearance form	Pre - Operative Checklist	Fluid Balance Sheet
Vital Sign	Doctors Order	IV flowsheet
Blood Glucose and Insulin	Medication Sheet	Nurses Notes
Discharge/Home Meds	Clinical Summary	

- Ito po yung sample ng mga patient chart na need po editable po yung details na needed sa forms.
